

Providence Animal Center Pre-Surgical Care Instructions

- A physical exam is recommended for all pets prior to surgery. A physical is required for any senior pets (which we consider to be 7 years or older), mass removals and dental procedures. We also offer/recommend pre-operative bloodwork.
- Drop off is between 9-9:30am. A \$15 late fee will be added after 10am.
- DO NOT give food after **10pm** the night before surgery, but water can be available at all times.
- Pick up time is between 4-5 pm. After 5pm, there is a \$15 late fee as this requires surgical staff to stay later.
- Payment is due at time of drop off. We will not start the surgery until we have full payment. We accept cash, credit/debit cards; we DO NOT accept CareCredit or checks.
- Proof of rabies vaccination (tag or certificate) is **REQUIRED**. If no vaccine history is present, this can be administered during surgery for \$15.
- All cats must arrive in a cat carrier and all dogs must arrive with a leash/collar/harness.
- **OUR POLICY IS ALL SPAY/NEUTER SURGERIES WILL GET A SMALL GREEN TATTOO NEAR THE INCISION. NO EXCEPTIONS.**
